## Shipping

We currently only offer delivery within Republic of Ireland. The cost for standard An Post delivery is a flat rate of €6.50 for all orders. Orders of €55 or more qualify for free delivery.

If your order is very large, it may be posted in multiple packages.

Please feel free to contact us to request a specific location for delivery outside of Republic of Ireland and we will confirm if there are any options available

Shipping times are approx. 3-4 days from dispatch but on occasion there may be delays such as at busy times of year.

Please allow as much time as possible for your order to arrive. We will endeavour to dispatch all orders within 3 working days but again during high periods of demand this may be delayed.
